

Singapore Secrets to Business Success (2 Day Workshop)

Workshop code: **C14-SSBS.V1**

Course duration: **16 hours (2 days)**

Course introduction

Singapore's Secrets to Business Success is a 2 day workshop conducted in your country and venue of choice to help your management & staff understand Singapore's best practices, systems and processes to implement in your business.

The course is developed by 2iB Partner's collective years of experience internationally and brings you the best of Singapore secrets to business success which are key drivers to helping your business grow to the next level.

Who is it for?

This is a distilled course for business owners, management, heads of departments and key decision makers in a business.

Finding the right trainer is like switching on a light in the dark.
